## How to Crochet a Summer Beanie

---

Yarn: 4 Medium, Big Twist Value brand, Mustard

Crochet Hook: F / 5 / 3.75MM

\*NOTE: This video has a precursor video: How to Crochet a Beanie Brim:

<https://youtu.be/V2zw-4mWR8E>

Begin by crocheting a brim (using the above video tutorial as your guide) that is 3 st deep and roughly 18'' wide. Join the two short edges of your brim together with SL st, turn it inside out, and divide the brim into four equal parts (all shown in precursor video).

Row 1: CH 6. Place 20 TR + CH 3 (square) around the row, spaced as evenly as you can. CH 6 counts as 1st square. SL st into 1st gap from this row to join.

Row 2: CH 6 (counts as 1st square), then place 1 TR + CH 3 in each gap created in the previous row (20 squares total). SL st into 1st gap created in this row to join.

Rows 3 - 12: Repeat Row 2.

SL st 3 together at a time until you get to the end of the row. SL st into stitches on opposite sides of the gap to close the circle.

Cut and tie off yarn.
